I bought this for my teenage daughter who loves Garfield. Actually, my husband and I love to read Garfield too. We all loved this book. We sat around reading each of the comic strips and laughing out loud while we were reading. You won't be disappointed.

Ahhh... Old cousin Earl the dungeon beast and his 4 star restaurant. Made joke from page 17 If you do not get reference to Earl the dungeon beast than go to skydosemiecraft's seires "Do not laugh."

My favorite strip. Have all 61 of collection, all first printings since 88 or 89, whenever Davis started strip. I do miss Lyman though.

Garfield has always been one of my favorites. This comic is HILARIOUS!!!! Please Jim, keep writing those awesome funny comics!!!!!!!

Really funny book I really suggest this book but it is a comic book so if you don't like comic books I

was just warning you.
