AP[®] European History Crash Course Book + Online (Advanced Placement (AP) Crash Course)

Synopsis

REA's Crash Course for the AP[®] European History Exam - Gets You a Higher Advanced Placement[®] Score in Less Time

About this new exam and test prep: The new AP[®] European History exam is structured around five course themes and 19 key concepts in four different chronological periods, from approximately 1450 to the present. REA's all-new AP[®] European History Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? Have you started studying for your Advanced Placement[®] European History exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's Crash Course for AP[®] European History is just what you need. Our Crash Course gives you:

- Targeted, Focused Review - Study Only What You Need to Know

The Crash Course is based on an in-depth analysis of the new AP[®] European History course description outline and actual AP[®] test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Written by an AP[®] European History expert the targeted review prepares students for the new test by focusing on the new framework concepts and learning objectives tested on the redesigned AP[®] European History exam. Our easy-to-read format gives students a crash course in the historical events, topics, and issues in European History. The book also features must-know terms all AP[®] European History terms students should know before test day.

- Expert Test-taking Strategies

With our Crash Course, you can study the subject faster, learn the crucial material, and boost your AP[®] score all in less time. Our author shares detailed question-level strategies and explains the best way to answer the multiple-choice and free-response questions you'll encounter on test day. By following our expert tips and advice, you can boost your overall point score!

- FREE Practice Exam

After studying the material in the Crash Course, go to the online REA Study Center and test what you've learned. Our free practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP[®] exam, so you know you're studying the smart way. Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the test prep every AP[®] European History student must have. When it's crucial crunch time and your Advanced Placement[®] exam is just around the corner, you need REA's Crash Course for AP[®] European History!

Customer Reviews

Crash Course AP European History is exactly what it claims to be: a brief, clear review of AP European History for students who waited til the "last minute" (i.e., a few weeks) to study for the exam. Folks complaining that it doesn't have 2 full practice exams haven't paid attention to the description of the book--it doesn't claim to Do It All. It's much smaller than the full size study guides on purpose; great to keep in your backpack for quick unit reviews. I've taught AP Euro over 20 years and always recommend it to my students.

Krieger has MOST DEFINITELY addressed the changes in the European history course. His review book (which is a review book, NOT a study guide with sample tests) clearly focuses on helping students understand the Key Concepts and the Learning Objectives. It is essential that students see the concepts that are the core of the redesign, and Krieger lays them out clearly! His presentation allows students to, then, see the chronology/people/terms set in the KCs so that they can actually USE those things instead of just memorizing what can appear to them to be meaningless trivia. Sadly, many review books, study guides, and websites are ignoring the very things that students should be focusing on as they simply try to rework what they already had or hire writers that don't really understand the CORE of the redesign.

If you're looking to study for an AP exam with limited time, this Crash Course European history book is perfect! The information it provides is not redundant, and it gives you the bare bones of the units

in the course.

Do NOT buy this review book. They say that they have redesigned the book for the upcoming exam, but this is very misleading. They only have a short how-to section regarding methods of taking the exam. What they do NOT have is a single relevant practice question. The book itself is nothing but a historical review of content. Their SINGLE practice exam is an older version online with questions from pre-redesign exams. Go with Princeton Review or 5 steps to a five for actual relevant test prep questions.

So today I took my exam, this book did pretty well. It helped me as I needed it and it gave a pretty description of everything. My advice would be to look over all the important terms, treaties, people and to know the women's place in society. Good luck!

A lot of the content seems to be the same as the older version, but the content is spot-on and they've also updated the book to catch up a bit on current events. They also added a bit of new info for how to approach the new exam style, which I found helpful. Great!

Great book! I ordered it about 6 weeks before my exam and prayed that it would come before then. It arrived on that Friday, and I had about 5 weeks to prepare for my exam. Only review book you'll need for content.

For quick and concise review close to test day this is a great book. However, if self studying i would recommend another review as this doesn't go as in depth as needed.
