Brazilian Mosaic: Portraits Of A Diverse People And Culture (Latin American Silhouettes)

Synopsis

This selection of excerpts and essays delineates Brazilian culture as exemplified by its people. Two pieces that provide a general overview of Brazilian peoples are followed by four chronological sections, each of which is preceded by a historical sketch of the period under examination.

Customer Reviews

Latin American Research Review, No. 35/1, 2000, contains a review article entitled "The Brazilianists' Brazil: Interdisciplinary Portraits of Brazilian Society and Culture," by Piers Armstrong. It contains about a page and a half on "Brazilian Mosaic." I suggest you may want to include that excerpt as a review of my book.G. Harvey Summ
