# Beyond A Doubt (Rock Harbor, Book 2)

## Synopsis

Nothing seems beyond a doubt when Bree opens a cold-case file with clues too close for comfort. Arson. Theft. Murder. When Bree Nicholls discovers a corpse in her own basement, a whirlwind investigation ushers an unbidden danger to all she holds dear. Without safe haven in her lighthouse home--or in the arms of a new love--the young widow struggles to free her family from the tentacles of an age-old crime that strikes at the heart of Rock Harbor. Beyond a Doubt is second in the acclaimed romantic suspense series from best-selling author Colleen Coble. Set in the untamed beauty of Michigan's Upper Peninsula, the Rock Harbor novels deftly draw readers into the life and operation of a canine search-and-rescue team as they help unravel the secrets of an enchanting wilderness.

## Book Information

## Customer Reviews

Book 2 of Colleen Coble's "Rock Harbor Series" titled "BEYOND A DOUBT" is even better than the 5-stars I gave my review of book one. This is an excellent

MURDER-MYSTERY/SUSPENSE/CHRISTIAN-FICTION/ROMANCE series that is sure to please. It took me only about a week to get through this book, even while having a house full of family guests demanding consideration. Fast paced, hard to put down (even for family), the mix of murder, arson, smuggling, and abduction is compacted into 293 pages. Amongst all this lawlessness is an ongoing struggle of a group of people, led by the main character for the series, Bree Nichols, and her newly

found 4-yr. old son, plus her search-dog. So what's the struggle, besides bullets, and stalkers? The answer: personal issues faced by normal Christian people needing to seek forgiveness, let go of unfounded guilt, and trust in God for strength, peace, & healing. Not preachy, but interesting how it is woven into murder and smuggling plots. As Bree's friend, Naomi, says, "Sometimes asking for forgiveness can be a daily thing." page 244. Although the suspense has picked up a notch from book one, so does the in-depth look at the personalities of people at Rock Harbor. Especially the family connections and those with personal relationships with Bree. But will Bree ever see her own true (romantic) feelings for Wade? New crimes entwined with old unsolved events that are rediscovered, become the basis for this continuing saga of a young woman of today, now a single parent, a struggling provider, dog lover, and beginning business entrepreneur, Bree. Don't expect every aspect of her life, and the situations faced by her family and friends, to come to an abrupt happy ending. That's not real life.
