The Queen's Corgi: On Purpose

Synopsis

“Wouldn’t it be wonderful if newspapers did more to share stories and insights that were really meaningful? Things that might help people lead more purposeful lives.” The Queen glanced over at him, uncertainly. “Tricky business, persuading the media to lift their sights from terror and trivia. Every one of us has tried.” Pushing myself up so that I was balancing on my rear end, I fixed Kate with a pleading expression. She was a soft touch when it came to scones. There was a pause while the family glanced in my direction. Before Kate said, “Well, not every family member.” Rescued from unscrupulous breeders who plan to destroy him because of his floppy ear, when the Queen’s littlest corgi arrives at Windsor Castle, he finds himself in a world of red carpets, gilded chambers – and not a pile of dirty laundry to be seen. Charming his way into the affections of the royal household, Nelson offers a dog’s-eye view of life with the Queen. He eavesdrops on her encounters with celebrities, philanthropists and advisers, catching rare insights into the secrets of a purposeful life. Through one of Her Majesty’s most mysterious advisers, he discovers how the ancient ways and powerful symbols continue to exert a transformative presence. He also becomes familiar with the Queen’s most surprising quality: her gentle but firm expectation that everyone she encounters is striving to be the best that they can be. The Queen’s Corgi bursts with zest, humour and adventure. Romping through the litany of Nelson’s misdemeanours are a warm-heartedness and deep wisdom sure to delight anyone who has known the smiling face and warm tongue of a dog. It is not by chance that you hold this book in your hands.

A nose-to-tail delight about living on purpose no matter what your circumstances. A fictional Corgi

named Nelson narrates his tale of life with the Queen of England with wit and wisdom. If you like an entertaining read with humor, charm and a dollop of royal gossip, the Queen's Corgi is your cup of tea.

I am a big fan of The Dalai Lama's Cat books. Now I'm looking forward to the next Queen's Corgi. As with the other books, an entertaining story that also is full of wisdom... and gives me much to think about .

Another David Michie winner.
