When I Was Old (Inspector Maigret)

Synopsis

An intimate inside look at the mind of Georges Simenon, immortalized here in his journals. In the 1960s, Simenon bought three leather-bound journals, planning to leave a record of his life and career for his sons. He was 57 years old, a best-selling author, and happily married for many years, and in these journals he began to reflect on the complexities of aging, relationships, and the life of a writer. *When I Was Old*, a collection of these writings, is an essential read for any fan of this prolific literary voice.

Book Information

Series: Inspector Maigret

Paperback: 464 pages

Publisher: Penguin Books; Reprint edition (August 30, 2016)

Best Sellers Rank: #76,328 in Books (See Top 100 in Books) #13 in Books > Literature & Fiction > Essays & Correspondence > Diaries & Journals #84 in Books > Literature & Fiction > World Literature > European > French #408 in Books > Biographies & Memoirs > Arts & Literature > Authors

Customer Reviews

This is an autobiographical book about the author's sixties and I found it very honest and believable, but then I am a Simenon fan! His wife suffered from depression but he never connects that with his need for frequent sex with prostitutes, which seems rather odd for a man so deeply into psychology. Presumably he believed her when she said she didn't mind his behaviour?
