Esthetician Exam Secrets Study Guide: Esthetician Test Review For The Esthetician Exam

Synopsis

Includes Practice Test Questions Get the test prep help you need to become a licensed esthetician. The Esthetician Exam is extremely challenging and thorough test preparation is essential for success. Esthetician Exam Secrets Study Guide is the ideal prep solution for anyone who wants to pass the Esthetician Exam. Not only does it provide a comprehensive guide to the Esthetician Exam as a whole, it also provides practice test questions as well as detailed explanations of each answer. Esthetician Exam Secrets Study Guide includes: A thorough and detailed review of the Esthetician Exam A guide to pathogens and aseptic technique An extensive review of the skin structure, function, & abnormalities An analysis of diet and the skin A breakdown of treatment procedures An examination of makeup An in-depth look at business operations Comprehensive practice questions with detailed answer explanations It's filled with the critical information you'll need in order to do well on the test the concepts, procedures, principles, and vocabulary that the state licensing boards expects you to have mastered before sitting for the exam.

The Pathogens and Aseptic Technique section covers: Bacteria Decontamination Injuries Sanitization procedure The Skin Structure, Function, & Abnormalities section covers: Skin Sun damage Lesions Types of skin The Diet and the Skin section covers: Vitamins and minerals to the skin Antioxidants Carbohydrates The Treatment Procedures section covers: Facials Treatments Hair removal The Makeup section covers: Purpose of makeup Lipstick Corrective makeup Applying makeup The Business Operations section covers: Managing clients Reception area Male clients Retailing cosmetics These sections are full of specific and detailed information that will be key to passing the Esthetician Exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided scores of test questions that will prepare you for what to expect on the actual Esthetician Exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for our test preparation guides, and our Esthetician Exam Secrets Study Guide is no exception. It's an excellent investment in your future.

Customer Reviews

If you think you know everything you need to know for the test, but you still want to do some reviewing, this study guide is perfect for you. It has all of the information you need to go over before you take the test. Chances are, you didn't have everything you needed before this guide and you will be glad you had it to help you prepare. The guide has all of the material in organized sections so you can study one thing at a time to get ready. If there were things you just didn't get before, the guide lays them out and explains them so you'll be better off.

Study is not always exciting but this study tool is something to get excited about. Although it is short in length, it takes no shortcuts when it comes to balanced test preparation. It gives advice on the different ways to approach testing and study.

I am truly impressed with the Mometrix Esthetician Test Preparation book "Esthetician Exam Secrets - Study Guide. The book is well formatted in a logical manner. I particularly liked the following sections: Test Taking Tips - Pathogens - Practice Test. I now feel that I am better prepared to take the NCEA test and pass with flying colors

If you think you know everything you need to know for the test, but you still want to do some reviewing, this study guide is perfect for you. It has all of the information you need to go over before you take the test. Chances are, you didn't have everything you needed before this guide and you will be glad you had it to help you prepare. The guide has all of the material in organized

sections so you can study one thing at a time to get ready. If there were things you just didn't get before, the guide lays them out and explains them so you'll be better off.

The Esthetician Exam Secrets guide is the perfect study guide for the exam. It delivers success strategies, study guides, practice tests and so much more. Learning everything about the skin its structures and functions and what affects it - then trying to memorize it, is no easy task. This guide simplifies that process and provides the necessary terminology and material not only to pass the exam but to retain the knowledge needed for a career as an esthetician. I'm sure I wouldn't have passed without it.

I just bought the book Esthetician Exam Secrets study guide. I read through the book. It was amazing. English is my second language so I'm worry about the theory book, the text,,but this book is make it so easy to understand. It's not to thick, the words is simple, easy to understand.

I received the Esthetician Exam (study guide) three days ago. I was so amazed about the book. It was so understandable and easy learning skin care book. It is becoming more relaxed for me that I can pass easily.

The book gets straight to the point oppose to the textbook I have and convenient under all circumstances-1) easy to read and comprehend- subjects for the exam are broken down to by far best convenience- self explanatory & etc...2) the weight of the book, able to carry it anywhere!-Did not regret a penny on my purchase!
