Customer Reviews

This test and preptest numbers 55 and up are all well worth \$8. They are the newest tests, and therefore probably the closest to the real official LSAT you are going to face. Don't be stingy with your prep! Get ready for the real thing with the most similar tests available.

Good prep test. You can't really mess these things up though. I bought this and a few others to fill in some of the gaps from ones I already owned. Good prices.
