# Wisconsin Korean War Stories: Veterans Tell Their Stories From The Forgotten War

**DOWNLOAD EBOOK**

## Synopsis

A companion book to the documentary produced by Wisconsin Public Television, Wisconsin Korean War Stories tells the story of the "forgotten war" through first-person interviews, photographs and letters. These are the voices of green infantrymen who fought and failed to take Heartbreak Ridge, of farm boys from the heartland who survived three years as prisoners of war, and of small-town nurses in MASH units who treated the wounded and sometimes sent them back into the fray. From enlistment to front line combat, air support missions to dreams of home on moonless nights, Wisconsin Korean War Stories is an unforgettable collection. The "Wisconsin Korean War Stories" project is a partnership of the Wisconsin Historical Society and Wisconsin Public Television, in association with the Wisconsin Department of Veterans Affairs.

## Customer Reviews

Everyone associated with this Project are forever appreciated for their priceless contribution of memories and 1st hand knowledge of a period in American History and a gruesome, Historic War, which shamefully, was FORGOTTEN Before and 'Ever-after' it ended which makes for a National Disgrace for our Government and Education System which virtually made out as if it isn't even a footnote in our HISTORY!
