Customer Reviews

This is a wonderful little volume. Since I purchased it a year ago I take it with me everywhere, it can easily fit into a purse. This fantastic man had such wonderful insights on life and how to live it. Is is without question my favorite book on how to live your life thus far. My second favorite is "Discover the Power Within You" by Eric Butterworth. Essentially the same message. You WILL NOT be dissapointed in this purchase. Cut through the noise, and be who you have always meant to be.

This book is pure wisdom! Perfect for the serious seeker

This man makes sense out of confusion. He seems to answer every question. As timely now as when it was written.

Amazing
