U.S. Citizenship Test (English Edition) 100 Questions And Answers: Includes A Flash Card Format For Easy Practice

Synopsis

Kindle Flashcards for 100 civics questions and answers available at:

[.com/Flashcard-Questions-Citizenship-Practice-ebook/dp/B006CRHJHM/ref=sr_1_2?s=digital-text&ie=UTF8&qid=1329786290&sr=1-2](https://www.amazon.com/Flashcard-Questions-Citizenship-Practice-ebook/dp/B006CRHJHM/ref=sr_1_2?s=digital-text&ie=UTF8&qid=1329786290&sr=1-2)The English edition of U.S. Citizenship Test (English Edition) 100 Questions and Answers completes this popular series of multilingual citizenship books. Like the other books in the series, it includes:(1) All 100 official Civics questions and answers for the US Citizenship Test (2011-2012),(2) USCIS Official Reading and Writing Vocabulary Lists,(3) The 20 Questions for Permanent Residents over 65 years old,(4) Important contact information and websites for more help and, unique to this English edition only,(5) all 100 questions and answers in a flash card format for easy practice and review. As with the bilingual editions, this is an excellent resource for adults who want to learn more about the United States, and for immigrants who are preparing for citizenship. Permanent Residents will find the organization and formatting of questions easy to read and understand. These questions will test your knowledge of U.S. history and government--and improve your English vocabulary--as you study for your test. Like the other books in this series (Spanish, Chinese, Tagalog and Vietnamese), this is a well designed study resource with a unique, easy-to-read format that is particularly well-suited for immigrants who are learning English. It is suited to individual study (the paper flashcards are easily to make and use), citizenship libraries, and-along with the other books in the series-for adult multilingual, English-as-a-Second-Language (ESL/EFL), classrooms. Recommended.

Book Information

Paperback: 130 pages

Customer Reviews

Perfect for the needs of the classroom. Many students are taking online tests several times, memorizing answers, and declaring themselves ready based on that small question sampling. This text and especially the cards expose students to the depth and breadth of what the exam actually covers, in formats appropriate for studying and passing the exam.

I purchased this to use in a Civics classroom. It is good for the students who were born American citizens to see how they would compare to those immigrants coming to our country and having to pass a citizenship/naturalization test. Also, this makes a great resource for quiz or test questions.

Good format for those studying for the citizenship test. It has cards you can cut out to help with testing.

I'm not sure what I expected from this book but I was a little disappointed with this purchase. However I'm sure it will meet the needs of anyone wishing to take the US Citizenship test.
