Hillary's America: The Secret History Of The Democratic Party

Synopsis

The #1 New York Times bestseller and source for the blockbuster feature film *Hillary's America*, the top-grossing documentary of 2016...Dinesh D'Souza, author of the #1 New York Times bestseller *America: Imagine a World Without Her*, has a warning: We are on the brink of losing our country forever. After eight years of Obama, four years—or possibly eight years—of Hillary Clinton as president of the United States would so utterly transform America as to make it unrecognizable. No more will America be a land of opportunity. Instead, it will be a land of rapacious crony capitalism, run solely for the benefit of friends of the Obamas and the Clintons and the Democratic Party. It will, in fact, be the fulfillment of a dream the Democratic Party has had from the beginning—a dream of stealing America for the politically favored few. In *Hillary's America*, D'Souza reveals the sordid truth about Hillary and the secret history of the Democratic Party, including: how Democrats transitioned from pro-slavery to pro-enslavement; the long-standing Democratic political war against women; how Hillary Clinton's political mentor was, literally, a cold-blooded gangster; how the Clintons and other Democrats see foreign policy not in terms of national interest, but in terms of personal profit; how Democratically controlled cities have turned into hotbeds of crime and corruption; and much, much more. Not only is Hillary Clinton a liar and a criminal—who would have been indicted for mishandling classified information on her secret email server had the Democratic Party not closed ranks around her—she is also the culmination of her party's deliberate and stunning plot to redistribute wealth and political power to the liberal elite. Find out how Hillary and Bill used the Clinton Foundation to ruthlessly sell State Department influence to the highest foreign bidder. Find out what shady backroom Democrat dealers taught Hillary Clinton her particular brand of corrupt party politics. And most importantly, find out whether America can stop her from destroying the country once and for all.

Customer Reviews

I just got finished watching the film, "Hillary's America," and I am also widely read in other books on this subject, and in my opinion this book is right on target, contrary to the one star reviews of "Customer" (July 18, 2016), D. Wnukowski (7/22/2016), j. w. ((7/21/2016), and "Customer (7/21/2016). You see, I am an Internal Corporate Criminal Investigator and Data Forensics expert under the Florida Statutes 493.6102, sub-paragraph 3. I am not an attorney, and under this law I can investigate suspected crimes as long as I am doing so for my employer - without a Private Investigator's license, and I have solved virtually every case I have ever investigated - a 100% success rate. I LOVE catching the bad guys. Immediately, Hillary Clinton and her staff handled, as FBI Director James Comey stated in his wrap-up of Hillary's e-mail scandal, 110 e-mails THAT WERE CLASSIFIED AT THE TIME THEY WERE SENT. Of those 100 e-mails 8 were classified Top Secret, 8 were classified Confidential, and the rest - some 94 of them - were classified Secret AT THE TIME THEY WERE SENT (Check this out by using a search engine). Comey even stated that Hillary Clinton in her role as Secretary of State, and her staff, were careless and negligent in handling these classified e-mails - WHICH WERE NOT SENT VIA A STATE DEPARTMENT SERVER BUT ON HER OWN PRIVATE SERVER, WHICH COULD BE HACKED.

Do you ever sit back and find yourself wondering just HOW Hillary Clinton became the democratic nominee? If you're like me, then your answer to this question is definitely yes. Given her HORRENDOUS track record (as author Dinesh D'Souza points out with actual citations to his statements in his book), I'm amazed that she was even allowed to run, let alone make it this far into the election. Let's be realistic | She CLAIMS to be for women's rights, while being married to a rapist (with MANY accusations against him) who had MANY extramarital affairs, she accepted MILLIONS from the Middle East (where women are treated like dogs), she freed a child rapist and then LAUGHED about it, and now she's the face of Women's rights and equality? Give me a break! D'Souza holds NOTHING back as he reveals both Clinton's crooked past, and the often "brushed under the rug" history of the Democratic party! After reading this book, I learned a lot about the Democratic party; things I would have never otherwise learned. For

example:- Did you know that it is the Republicans who originally opposed slavery?- Did you know that the 13th amendment (the amendment that abolished slavery) was passed with overwhelming Republican support?- Did you know that the Republicans were originally for women's rights?- Did you know that the Ku Klux Klan was originally a democratic party aimed at terrorizing slaves?Doesn't quite fit the the CNN portrayed "Democrats are the second coming" narrative, DOES IT?Folks, pay attention to what is going on in the news and media these days. It seems that the Democrats and liberals want nothing more than to divide us.
