# Classic Pickup Trucks

## **Synopsis**

Mike Mueller tells the complete history of these light trucks in an engaging text filled with facts, legends, and lore. Over 100 color and 100 historical black and white images complement the text. This book makes a wonderful addition to any vehicle enthusiast's library, and the useful and exciting information throughout will charm any lover of American history or Americana. Few vehicles are more American than the pickup truck. It takes its rightful place among other popular modes of transportation such as the muscle car and the convertible. America created the pickup, and the convertible. America created the pickup, and vice-versa. A true workingman's friend, pickups have helped to make this country all that it is. This fascinating book will carry you down the well worn paths of pickup history.

## **Customer Reviews**

There was no rhyme or reason to how it was organized. The content was interesting pictures were very good. The history was interesting.

Just the right gift for someone who appreciates the nostalgia of older vehicles. Great historical information and plenty of photos.

This book shows the history of pickups and is very good reading. I would definitely recommend it to pickup enthusiasts.

Did not have as much info & pictures Of ' 60's & '70's GMC trucks as I wanted

If you like old classic trucks this book is fantastic. Bought it for a cousin and he loves it, so do his friends.

Gave this to my father-in-law for Christmas. He lived it. Lots of pictures and great information for car buffs.

Super nice book with pictures and information on old pickups. Recommended for anyone that likes old pickups.

Great book! I gave this book to my brother for a gift. He loved it!
