The Power Of A Praying® Parent
Synopsis

Stormie Omartian’s bestselling The Power of a Praying® series (more than 28 million copies sold) is rereleased with fresh new covers and new material to reach a still-growing market of readers eager to discover the power of prayer for their lives. After 20 years of raising her son and daughter alongside her husband, Michael, Stormie looks back at the trials and joys of parenting and the power in praying for her children. In these easy-to-read chapters, Stormie shares from personal experience as to how parents can pray for their kids’ safety, character development, adolescence, peer pressure, school experiences, friends, relationship with God. This resource will help you to be an amazing praying parent whether your kids are three or thirty-three.

Customer Reviews

I’m not a parent yet, but Husband and I are getting close to expanding our family. So when the opportunity came up to read and review The Power of a Praying Parent by Stormie Omartian, I jumped on it without thinking twice. I can’t give you testimony of how these prayers have worked to change my children’s lives because I just don’t have children yet, but throughout her other books, Stormie Omartian has taught me that I don’t have to wait until prayers are needed over a specific topic in order to begin lifting that subject up in prayer. I can begin by praying preventative prayers. And that's what I did while reading through The Power of a Praying Parent. And yet, while I might not have children of my own to pray for them to attract and maintain Godly friends and role models or to live free of unforgiveness, I do know several young children that these prayers are needed in their
lives. While I was reading The Power of a Praying Parent and praying preventative prayers for my future children, I was also praying over these subjects for the children that are already in my life, specifically my nieces and nephews. I've discussed many times how much Stormie Omartian has taught me about prayer, and I've asked myself if it's truly necessary to read each of her books. I'm not sure it's necessary per se. Stormie Omartian does cover some of the same topics, stories, and messages in each of these books, but I've realized that repetition is good for me. It's necessary for my growth, because I forget so frequently the truths about prayer that she covers.
