# **The Natural Republic**

## Synopsis

Shortly after the end of the revelation of the Qurâ™an and the death of the Prophet Mohammed, Muslims splintered into various sects, with each group claiming that they were the only ones who retained the true message of Islam. The unfortunate truth is that none of them had followed the message and teachings of the Qurâ™an, abandoning it for the message and opinions of their scholars and leaders. The Natural Republic is a long overdue attempt to return to the pure teachings of the Qurâ™an and abandon all sectarianism.

## Book Information

Paperback: 224 pages

Publisher: Brainbow Press (October 5, 2008)

Language: English

ISBN-10: 0979671582

ISBN-13: 978-0979671586

Product Dimensions: 5 x 0.6 x 8 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

## Customer Reviews

The Natural Republic is a great first step in the creation of a Quranist Sharia based solely on the Quran. I was surprised at how detailed the topics could get and also how ayat give such obvious instruction in various matters. When it comes to governance it is pretty detailed but when it comes to the spirituality of Islam it's a little vague on issues such as the salaat. This is a very important book. It's short and every page you read is filled with Quran. If all of this doesn't merit several read-throughs on my part then I don't know what does.

This book is good if you are looking for that new perspective on Islam. But it will leave you with questions and yearning for more. It is good at getting you to think on the matter but I would not take it as a solution for all times...
